WELCOME TO ASHTON HOUSE

EMI NURSING AND RESIDENTIAL CARE

Ashton House is a country house set in beautiful grounds, close to the centre of Haywards Heath where there are shops, banks, a post office, cafe's and other amenities; nearby is the mainline station to London and the coast, and a bus network.

Our ethos is to provide a warm, caring and comfortable environment for our residents where they can enjoy life in the knowledge that there is a staff team caring for them 24 hours a day who treat them with dignity and respect according to their individual wishes.

OUR PHILOSOPHY OF CARE

Our philosophy of care is to provide our residents with a secure, relaxed and homely environment in which their care, well-being and comfort are of prime importance.

Before becoming a resident, a detailed pre-assessment ensures that the individual's health, physical, social and emotional needs can be met. This assessment is then developed and care plans are regularly reviewed to ensure that any changes in needs are accounted for.

All our members of staff are qualified to deliver the highest standard of care and do so according to our core values, which are fundamental to our philosophy of care. A continuous staff training programme is implemented to ensure that these high standards are maintained in line with the latest developments in practice and legislation.

ENVIRONMENT

Single and double bedrooms are available on the ground, first and second floors with the majority of rooms having en-suite facilities. The home is equipped with assisted baths, showers and toilets. There are lifts available to provide residents with ease of access to all rooms.

Ashton House has lots of communal areas, lounges and conservatories where the residents may relax and spend their day. These facilities have recently undergone a complete refurbishment. There are a number of dining rooms, one is a large lounge diner leading to a courtyard/patio in the Hazelwood unit. Our gardens have been beautifully landscaped for the enjoyment of our residents, and our home is accessible to wheelchair users.

Ashton House also has its own hairdressing salon with a hairdresser, physiotherapist and occupational therapists. In addition the home has a fire sprinkler system installed for fire safety.

ACTIVITIES

At Ashton House we ensure that all of our residents are able, should they wish, to participate in a wide range of enjoyable and stimulating activities. Some activities are undertaken in groups whilst some residents prefer a one to one session.

STAFF

All staff within the home are qualified to deliver the highest standards of care. Gaj and Kathy Ragunathan the home owners are experienced care providers for the elderly and strive to offer the best level of service. The home's staff are selected for their qualities of reliability, integrity, skill, friendliness and professionalism.

FOOD

The experienced chefs at Ashton House produce a wide variety of dishes catering for all dietary requirements including vegetarian, diabetic and low cholesterol.

We use as much fresh local produce as possible and all meals are cooked on the premises. Home-made cake is served with afternoon tea everyday.

Meal times are flexible and residents are able to have their meals where they wish, some remain in their individual room whilst others prefer to eat in the dining room.

Regular coffee and tea breaks are supplemented with the availability of 24 hours snacks if required.

VISITORS

Ashton House is known for its hospitality and making visitors feel welcome. Visitors are welcome at any time but we would respectfully request you to avoid mealtimes.
